Message from the President

Greetings Alumni Members. I hope everyone had a pleasant New Year. As you know our last Alumni Conference was held in Virginia Beach. This was a change in venue and everyone in attendance certainly enjoyed our conference. We had an excellent facility for our gathering.

Dave and M.K. Copley did an outstanding job with the Hospitality Room. Quite frankly I can't say enough to thank them because this was quite a task. Ralph Figgers and others looked out for everyone at the hospitality bar. I would be remiss if I did not thank all members of our Executive Board, Division Representatives, Board of Trustees, Audit Committee, Nominating Committee, Health and Welfare and our Membership Directory Coordinator. Our thanks, too, to our immediate Past President Arthur D. "Art" King. Art worked very hard for the past two years and did so much for the Alumni. I realize I have big shoes to fill; however, certainly will give it my best. I encourage you to reach out to our recent retirees, former members, civilian employees and encourage them to join the Alumni. Colonel Settle was very gracious allowing the Alumni site to be placed on the department's web page.

The guest speaker for our upcoming Spring/Summer Conference will be Colonel Gary T. Settle, Superintendent. Colonel Settle will have other members of his Executive Staff in attendance too.

I thank each of you for your support during the coming year and cordially invite you to attend our conferences to socialize and renew old acquaintances.

Looking forward seeing you all at our 151st Alumni Conference in Natural Bridge.

Regards,
Bob McCulloch, President

Frank Williams discussed several changes to the application process and several years ago it could take up to a month before the applicant knew if they had been accepted. Currently, with the use of e-mail, the approval process takes less time and is working out very well.

He also discussed the addition of honorary members (spouses of the deceased members) and they would still be able to be a part of the organization and could attend meetings on their own and felt this was another good change.

The number of meetings were changed from three to two as a result of a survey and Frank felt that if the members show what they want, it can be resolved.
